

Help Wanted Sailing Instructors

The Naval Station Newport, Morale Welfare and Recreation Department, in coordination with the Coaster Harbor Navy Yacht Club, offers a Basic Sail Training Program that provides local Basic Keelboat Skipper Qualifications to Navy Marina patrons.

Qualifications are competency and experience as skipper, of a Rhodes 19 or similar keel or centerboard sloop rigged boat, and a desire to convey your sailing knowledge.

In return for your volunteer time MWR provides 'Sail Training Credits'. You receive one credit for every two hours of training. You can use the credits (up to 50% of the fee incurred) when you check-out a recreational boat for your personal sailing pleasure.
